DESIGNER'S STATEMENT

C & A Consulting Engineers prepared a site access design for the proposed residential development at East Hill, Hempstead Valley, Medway. A Stage 1 Road Safety Audit was carried out on the designs shown on Drawing Number 17-035-029. The Audit was undertaken by Laurence Shaw Associates and the Auditor Team identified a few issues.

I have considered the issues and problems raised in the Safety Audit and have appended my comments, which set out:

- the changes to the design which I propose to make, or
- the reasons why I do not propose to make any changes

Signed: Daniel Hughes
